Hi Jim, we can upgrade them at no charge. And we are upgrading all the 601's building by building.

It may be easier just to put in a trouble ticket and have them replaced that way.
Is there a specific problem with them that I can put on the trouble ticket?

Mary

Subject: Phone Upgrade?

Hi Mary,

Are the old beige 601 phones being upgrade to the newer phones? We have 2 #545-2607 and # 545-5991 that are old and not functioning very well that should be upgraded.
